"Content Platforms" means the Internet websites and/or mobile and/or desktop software applications, packages or bundles owned and controlled, directly or indirectly, by you and through which you make the musical compositions described herein available to your users,. At all times, with or without notice to you, the rights granted to you hereunder shall be subject to rights granted to CCS by each applicable Performing Rights Organization, which may be modified from time to time.

LIMITATION ON RIGHTS. This WorshipCast Internet Song License does not grant you the right to publicly perform dramatico-musical works, or any dramatic rights; nor does it grant you the right to reproduce, distribute, make available for download, and/or exercise any other right held by a copyright owner, or enable others to do so. This WorshipCast Internet Song License does not cover performances of sound recordings (see below). All rights not expressly granted herein are reserved.

The activation fee and annual license fee is due and payable prior to activation of your WorshipCast Internet Song License, and the annual license fee is due immediately prior to each renewal period. The determination of "Average Annual Member Size" shall be determined by calculating the number of persons attending each applicable service/event, and dividing by the number of events.
